

healer of hearts

*You're the healer of hearts
when we're opened wide
You're the healer of hurts
when we're pained inside
You're the healer of body, mind and soul
Jesus, bring us your life
Come, make us whole*

Hear my cry, O God, my prayer
From the heart in deep despair
When I'm far from anywhere
Let me know that God, you're there

You're the healer of hearts ...

Keep me safe from harm's cruel way
You're my refuge, come what may
God in you: my life, my way
In your presence night and day

You're the healer of hearts ...
